Experience the MIS difference!

There are many reasons to experience the MIS difference:

- **We** provide quick turnaround time on all quotes and prescreens - group and individual.
- **We** work directly with the underwriters as an advocate for you and your clients.
- **We** answer the phone.
- **We** have an experienced staff to assist you with all aspects of group administration.
- **We** have seasoned representatives available to assist and/or accompany you on group sales presentations.
- **We** help you retain your business with proactive involvement in your renewals. We retrieve renewals early, request rate relief where appropriate and run alternative quotes.
- **We** will shop renewals with other MIS carriers upon request.
- **We** scrub your new business case before it goes into the carrier for quicker turnaround time and track it closely through underwriting until it's completed.

- **We** are your **ONE-STOP-SHOP** with multiple products and carriers including our **SENIOR SPECIALTY SHOP**.
- **We** value our relationship with you as much as we value your business.
- **We** offer annual sales incentive trips, bonuses and contests.
- **We** believe in **EDUCATION** - we offer monthly broker training and will meet with individual brokers as needed.
- **We** have a website with forms and information available 24/7.

www.mayinsurance.com

Last but not least, we are one of **seven** general agencies that constitute **BrokerNet, Inc.** This relationship gives us "*strength in numbers*" and leverage with carriers thereby allowing us to provide benefits that other smaller agencies can not. In particular, this allows us to develop enhanced relationships with carriers that benefit you and your clients.

*There's **STRENGTH** in our numbers!*
